Lee Abbey London

The experience of a lifetime!

A warm welcome awaits
you at your new London home!

We are passionate about creating a safe, supportive environment where you can make lifelong friends, study and above all be yourself with like-minded people and our wonderful community.

Our friendly and caring team provides security and supervision to our residents 24 hours a day.

Like you, they come from all over the world to help run this busy residence. Our staff form a Christian community who are ready to serve you.

Home to around 200 residents, Lee Abbey London is situated minutes from the heart of London, in a quiet residential area of Kensington.

So much more than a room
to come home to

A private garden

Beautiful food freshly
cooked every day

Universities, museums and shops are quick and easy to get to. A well-earned distraction for students!

Our wide range of rooms - from single rooms to triple shared rooms - have all the space you need for studying and relaxing. Delicious and freshly cooked food is prepared daily on-site, including vegetarian

options. We host regular social events such as quiz nights and a free coffee bar and our games rooms and social areas allow plenty of opportunities to get together with friends.

Lee Abbey's beautiful garden provides a place of tranquility and calm in a busy city.
