Mission, Purpose & Values

OUR MISSION

“Communicating Christ through relationships”

OUR PURPOSE

To nurture and equip Christian community for the purpose of serving others, mission and ministry; sharing God’s love and welcome with our guests through our lifestyle, words and actions.

OUR VALUES

Our core values are summed up in three words, LOVE, SERVICE and RESPECT

LOVE

We love God and others, keeping Christ at the centre of our lives and trusting that all things are possible in His strength. We make it a priority to keep our spiritual passion alive and to grow deeper in relationship with God.

SERVICE

We aim to reveal God’s kindness and generosity through working with, and serving others with excellence. We choose to extend God’s welcome to whoever we meet, to show our spirit of adventure, love of life and thankfulness.

RESPECT

We honour others by living with integrity, in an open and honest way. We don’t gossip, criticise or judge. Instead, we choose to forgive and seek to be reconciled, just as we have been forgiven by Christ.
